Sci., Aligarh Muslim University, Aligarh. **Dr. Kokila Tank**, Head, Dept of Lib. Sci. , Saurashtra University, Rajkot **Dr. Vaishali Choukande** Professor & Head, SGBAU, Amaravati **Dr. Sadanand Bansode**, Professor & Head, Dept. of Lib. Sci, SPPU, Pune **Dr. N. Dahibhate**, Retired Principal, NCL, Pune

SNDT Women's University

SNDT Women's University is the first Women's university in India as well as in South-East Asia.

The University was founded by Maharshi Dr. Dhondo Keshav Karve in 1916 for a noble cause of Women's Education. The University Headquarters is in Churchgate Campus, Mumbai and the other two campuses of this University are at Juhu, Mumbai and Karve Road, Pune. In addition to 37 university departments and 13 constituent colleges/ institutions located on three campuses, it has 174 affiliated colleges in Maharashtra, Gujrat, Goa, Madhya Pradesh, Uttar Pradesh that has an enrolment of over 70,000 students in various programmes.

Knowledge Resource Centre (KRC), SNDT Women's University

The Knowledge Resource Centre (SNDT Women's University Library) was established in 1955. The KRCs comprise of three campus libraries and a children's library at Juhu. The KRCs have myriad resources like books, e-books, journals, e-journals, theses and dissertations, resorts, reprints, etc. there are 4 Lakh books in these libraries and approximately 550 journals and 15 online databases giving access to 1500000 journals and international theses. It serves the students, teachers and researchers through its various information and documentation activities.

SHPT School of Library Science

The SHPT School of Library Science founded in 1961, is a Department of the SNDT Women's University in Churchgate Campus. The Department offers Master of Library & Information Science (M.L.I.Sc.) and Ph.D in Library and Information Science. Alumni of the department are placed as professors, knowledge managers, information officers, librarians, etc. in different esteem organizations in India as well as abroad.

Raja Rammohun Roy Library Foundation

RRRLF is a central autonomous organization established and fully financed by the Ministry of Culture, Government of India. It is the nodal agency of the Government of India to support public library services and systems and promote public library movement in the country. The Foundation works in close association and active cooperation with different State Govts. and Union Territory Administrations for development of public libraries through its schemes and assistance programmes.

Message from the

Director, Knowledge Resource Centre

and

Head, SHPT school of Library Science

I am happy that Knowledge resource center of SNDT Women's university is organizing one-day National conference on **TRANSFORMING LIBRARIES INTO KNOWLEDGE RESOURCE CENTRE**.during 12th January 2018 at its Churchgate Campus.

Actually this conference was to be held on 11th and 12th of January. But later i was informed that the funds provided by UGC were cleared in November of 2017. We had also declared the date of the conference on Library Forum. Now we had declared the date... And we were empty of funds. There was a big question mark in front of us. What to do and how to do.. We did sent the proposal according to the format to RRRLF Then after a month we got a letter Which had on sanction of Rs. 100000. I gave this news to all of my team mates and there was a huge smile and a new enthusiasm on everyone's face. Now the conference which we decided to cancel was to be taken. But we had very less time for the preparation and the arrangements. Today we are able to have this conference only because of the support of RRRLF and my teammates. Then we had many meetings and the discussions upon the theme for the conference. Upon the discussions we got a beautiful theme and sub themes for conference that is TRANSFORMING LIBRARIES INTO KNOWLEDGE RESOURCE CENTRE.

Raja Ramohun Roy Library foundation is a central autonomous organization established and fully financed by the ministry of culture government of India to support public library services and system and to promote public library movement in the country. This is the first time our university has been granted with funds of RRRLF. I am thankful to all the members of RRRLF.

Since last 100 years SNDT university works for the empowerment of women's education. The colleges affiliated to the university are spread all over 8 states. In the Maharashtra Act 1994 and 2016 University has its separate chapter. The main aim of the university is to encourage women's education and knowledge research Centre also helps to

fulfil the same. The university has its three Campus, the main campus at churchgate and the other two at Juhu , Mumbai and Pune.

The total collection of the KRC is above 4 lakhs and has 58 databases. KRC is always ready to serve the readers!! To solve any problems and to function more better all the staff of KRC are always helpful. Onto that University Authority Respected VC Madam , Pro VC and Registrar are always helpful.

For this conference we got so much of respond. At first we thought, we will have around 40-50 research papers but i am proud to say that we have 85 research papers from different parts of India and Maharashtra and this was possible only because of the love you all showed for us. I thank you all for this love. Hope the same in future. For this editorial board also supported us a lot thanks to them. And all the committee member's performed their job in very proper way.

Once again I thank you all from the deep of my heart!!

Dr.Subhash Chavan

Director of Knowledge Resource center

SNDT Women's University,Mumbai

Content

Sr. No.	Name of the Authors	Title of the Paper	Page Nos.
